Letter No 568 dated the 26th January 1904 from the President, District Board, Kolar.

Subject :—

Damages done to roads in the Kolar District.

Flag A

The President District ~~Fund~~ Board, Kolar, brought to notice the damages done to several roads in the district during the late heavy rains, and requested sanction for a grant of Rs 1500 from Local Funds to general works to avoid the damages. As the matter was special & damages in the roads resulted under extraordinary circumstances of heavy rain-fall, the grant was sanctioned from the balance in favour of the Local Funds General-

vide proceedings No 2734-5 / 2736-03 dated the 28th January 1904).

2. With the letter quoted above, the President forwards a list of roads, to which damages were done during the recent heavy floods, and states that the requisite repairs were put on hand considering their urgency. Such that the appropriation from the sanctioned grants of the District Fund budget would not be sufficient to meet the cost thereof. The Deputy Commissioner therefore requests sanction to a special grant of Rs 5,000 from Local Funds General. He ~~also~~ adds that the Chief Engineer is fully aware of the necessity for these works.

3. It is submitted that for the following out of 8 roads for which Rs 2597 are now asked for, Rs 1250 were sanctioned in Proceedings No 2734-5 dy 28-1-04 2736-03

as shewn below

Sir,

In submitting herewith a list showing the extra allotments required by the Executive Engineer, Kolar Division for making good the damages done to certain roads of the district during the recent floods, I would request that funds may be placed at his disposal.

I have the honor to state further that these works are very urgent and have already been put in hand. Appropriation from the sanctioned grants of the current year's District Fund Budget will not meet these extraordinary and unforeseen demands.

Under the above circumstances Hug-

that you will be good enough to obtain the sanction of Government for a special grant of ~~Rs~~ 5000/- from Local funds General. to carry out the urgent repairs required. The Chief Engineer is fully aware of the necessity for the above works.

I have the honor to be

Sir

With reference to your docket No
dated the 20th February 1904 calling for a report
whether the amounts now applied for for making
good the damages caused to certain roads during
the recent heavy floods, in excess of the amount
already sanctioned in Government Proceedings
No. 1734-5 / 1736-03 dated the 28th January 1904E, I have
the honor to state that the original requisition was
only a rough amount, asked for by the Executive
Engineer in the absence of proper estimates, and
that those amounts are included in the estimate
now submitted.

In a subsequent letter received
from the Executive Engineer, Copy of which is
herein enclosed for reference, he has included

Rs 10,000 more for expenditure during the current year for reconstructing a bridge across the Palar river near Oscillamangala for which an estimate for about Rs 40000/- has already been raised by Government.
